

PT Bank Mizuho Indonesia Prime Lending Rate

As of 31 Aug 2022

| | Corporate Credit | Retail Credit | Micro Credit | Consumption Credit | |
|---------------------------|------------------|---------------|--------------|--------------------|--------------------|
| | | | | Housing Loan | Non - Housing Loan |
| Credit Prime Lending Rate | 4.85 | | | | |

Remarks:

The Prime Lending Rate has not considered risk premium component which will depend on Bank's assessment to the risk of each debtor. Therefore, the lending rate applied to the debtor is not necessarily the same with the Prime Lending Rate.
